WORK EXPERIENCE

Nextec 2025 - Present	GRAPHIC DESIGNER AND VIDEO EDITOR As a Graphic Designer at Nextec, I craft visually compelling designs that elevate immersive experiences and leave a lasting impression. Alongside design, I also bring stories to life through dynamic video editing, creating engaging visuals that capture attention and keep audiences immersed from start to finish.
Freeancing 2021 - Present	FREELANCER I specialize in creating eye-catching visuals and compelling video stories that elevate digital experiences and keep audiences fully engaged. With years of hands-on experience, I help clients bring their creative visions to life through high-quality design and seamless storytelling. Whether it's branding, motion graphics, or immersive video editing, I deliver work that stands out.
ImmersiveTechlab 2023 - 2025	GRAPHIC DESIGNER AND VIDEO EDITOR As the Senior Graphic Designer at Immersive TechLab, I create visually striking designs that enhance and elevate our immersive experiences. My focus is on delivering high-impact visuals that captivate audiences and take each project to the next level. In my role as Senior Video Editor, I bring stories to life through dynamic and engaging visuals. I ensure every immersive project captures attention and keeps viewers fully engaged from start to finish.
ImmersiveAnimator 2022-2023	GRAPHIC DESIGNER At Immersive Animator, I work as a Senior Graphic Designer, creating visually compelling designs that enhance and elevate immersive experiences. In addition, as a Senior Video Editor, I craft engaging narratives that captivate audiences and push the boundaries of storytelling in immersive environments.
